The Statement of Achievement is valid for 6 (six) months as of the above date.

This Statement of Achievement is to confirm that the certificate holder is truly one of our LPIA students who recently attended and taken our institutional Lembaga Pendidikan Indonesia - Amerika English Proficiency Test (LPIA-EPT) on the date printed on the certificate.

The LPIA-EPT, in many ways, is not that much different than the international Test of English as A Foreign Language conducted by the US based Educational Testing Services (Paper Based Test). The test is not the same, but very similar, including the types of questions, the level of difficulties, the length of time, and the way the score is calculated.

As an Indonesian educational institution, the Lembaga Pendidikan Indonesia - Amerika takes full responsibility of all results of its LPIA-EPT tests conducted in LPIA branches all over Indonesia and confirm that the test is equivalent to the international test we mentioned previously.

This is the only valid form LPIA issues. LPIA is not responsible for any other forms besides this one.
